

GRAPHIC DESIGN

PORTFOLIO

A decorative graphic element featuring a pink curved line that starts from a hand cursor icon on the left and ends at a fountain pen nib on the right. The hand cursor is white with a black outline, pointing towards the left. The fountain pen nib is white with a black outline, pointing towards the right. The pink line is thick and smooth, curving upwards and then downwards. There are also three small pink circles connected by thin white lines, forming a small network or path on the right side of the graphic.
